My Submissions for ISOFIC 2024

Using the submission author environment you can view or manage your submissions to ISOFIC 2024. Note that new submissions are disabled.

To **view or update your existing submission** click on the corresponding "view" icon.

Additional information about submission to ISOFIC 2024 can be found at the [ISOFIC 2024 Web page](#).

Questions about submissions can be sent to the conference contact email kang@planwiz.co.kr.

Please note that if you do nothing (not even click on the menu) for more than two hours, your session will expire and you will have to log in again.

Some of your submissions were either withdrawn by authors or deleted by chairs, they are shown using a grey background.

#	Authors	Title	View	Program
2	Hyojin Kim	test		
46	Hyojin Kim and Jonghyun Kim	Development of a Prediction Algorithm Based on Operator Actions for Abnormal Situations in Nuclear Power Plants		

5. Click 'Add file' on the right menu

The screenshot shows the ISOFC 2024 author submission page. The header includes the ISOFC logo and the text "ISOFC 2024 (author)". In the top right corner, there are links for "Docs" and "Log out". A navigation bar contains buttons for "New Submission", "Submission 46", "Help", "Conference", "News", and "EasyChair". The main content area is titled "ISOFC 2024 Submission 46" and contains instructions for authors. On the right side, a vertical menu is visible, containing the following options: "Update information", "Update authors", "Add file", and "Withdraw". A red box highlights this menu, and a red arrow points from the "Add file" option to a larger, magnified view of the menu below.

This is a magnified view of the right-hand menu from the submission page. It shows the following options: "Update information", "Update authors", "Add file", and "Withdraw". The "Add file" option is highlighted in red. A red arrow points to the "Add file" option, and a red circle with the number "5" is positioned next to it, indicating the step number.
